

Hello Pilots,

The 2021 Brazilian Nationals Governador Valadares registration & payment is open. It will be a FAI 2, PrePWC and Test Event for the Panamerican 2022. Please keep in mind this is always a fully booked event, so do not leave for the last moment, after March 1st all foreign places will be reverted to local pilots, already more than 70 at the waiting list.

These registration instructions are only for non Brazilian pilots.

To be eligible to participate at this event you must:

- a) Be in the top 1500 pilots in the WPRS (December Ranking) or have scored minimum of 20 points in a FAI event in the last 2 years. You can verify your ranking at http://civlrankings.fai.org/?a=326&ladder_id=3&
- b) Have an online FAI sporting license for your nation valid for the dates of the event (see FAI S7 2.5.4)

If you believe you fulfill the above requirements please follow the below steps:

Register at:

<http://eventos.cbvl.esp.br/en/events/353-campeonato-brasileiro-de-parapente-2021-gov-valadares-mg>

After you filled your pre registration, we will check if you're eligible to this event, it normally takes 0-1 days. Than you should receive an email with the payment instructions, if you don't receive it in 1 day please contact Mr. Alfio at the email:

contato@cbvl.com.br

PAYMENT & DATE

Total amount to be paid is BRL\$835,00 PayPal is the only option.

The final DATE for foreign pilots payments is March 1st, after this date the remaining places will be re-allocated to Brazilian pilots. You are only registered after we receive your payment.

Included:

- Emergency ambulance & helicopter rescue, public* health services
- Snack kit, t-shirt, etc.
- Transport to takeoff during the 7 days of race + training day
- Retrieve on the main roads
- Use of CBVL-Flymaster trackers as well as the entire competition structure

*keep in mind that public hospitals in the country are free for all, but service is not good, we strongly advise you to have a private health insurance to access better hospitals.

EVENT RULES:

We will have an English version soon, we follow almost exactly FAI Cat. 1 rules. Portuguese version below.

COVID:

Due to Pandemic, The Championship can be canceled at any time, following the rules of the government. In this case, the registration fee will be refunded minus the costs already incurred by the organization. All pilots must follow the current legislation, so wear masks during the crowded moments, such as briefings, delivery / collection of trackers, and in any contact with the event organization.
